**Guess who's
coming back to camp?**

DR. RICHARD BURACK

For 10 consecutive years, we have been lucky to have Richard involved with Manitou in many capacities. For the past several years due to his Family Medicine Practice in London, England he has been unable to join us for the full season. But this summer, we are happy to announce that Richard will be joining us for the entire 7 weeks at Manitou as Assistant Camp Director!
Welcome back Richard!

GUESS WHAT'S UP?

...Enrollment's up and it has nearly doubled from last year and is the best it has been in a decade!

That means spaces are filling up fast, *especially* in our tennis, golf, waterskiing & riding programs.

So please don't wait - get your applications in today to reserve your spot for the best season yet at Camp Manitou!

Academy Corner

Summer '98 was a great success for the **New Golf Academy**. The use of the new facilities at the Inn at Manitou including video analysis, the driving range and putting greens all aided in camper's improved swing, use of clubs, improved game and taught them the "Path to Better Golf", the Peter Croker method.

Due to the overwhelming success of last years program, spaces are almost full for the 1999 season. If you are interested please contact our office today to reserve your spot or to receive more information on this exciting program at Manitou.

...AND IN THE TENNIS ACADEMY CORNER...

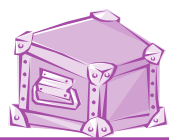

The '99 team of tennis professionals looks like a who's who in familiar faces from years past and present. Head pro Steve Schneider and his marry band of instructors will be heading to camp in early June for training and will be ready for another season of great tennis. Hoping to appear on courts near you this summer...Jared Grenville, Katie Hammond, Abrey Levy, Evan Meister, Jay Detsky, Adam Day, Asher Wittenberg. Just a few names, and if you look closely you may see some pros from the 96-97 season.

MTA is the new way! Our Academy Tennis program keeps getting better every season and this summer looks top notch. With a high quality of instructors returning, we have planned another energy packed program for those who what the challenge. This year's slogan... $E=mc^2$ - effort equals motivation and commitment squared (for all you science nuts).

NIKE NEWS: We have again signed with Nike as the official outfitter of MTA and Manitou Tennis. We are offering great deals for students and parents that take advantage of this great buying program. Contact the camp office to see what is available for you from Nike at great prices.

See you on the courts soon!

NEWS FROM THE TICKLE TRUNK

By Markus Fehr

Looking back on the summer of 1998, there were plenty of exciting memories. Whether your favorite was Kenya's triumphant World Games victory over Switzerland, cheering as "The Rock" captured the M.W.A. Heavyweight title, wondering who your new mentors were waking up on Silly Day, dressing up for Halloween or perhaps even roping a cow during the cattle battle, events from last summer will long be remembered as a fantastic 40th season.

Plans are already underway for an even better slate of activities for 1999! All of the Manitou favorites will be returning including Casino, Mentor Hunt, Stock Market and Halloween, but there will be new themes too. Look for a new 3 day event in July that will follow a Dungeons and Dragons theme, "Battle of the Directors" day in August and a new regular Monday Night wrestling show following up on the popularity of 1998's "Wrestlemania".

The costume box and tickle trunks are growing ever deeper as the summer gets closer and closer. Can you believe only 120 days to go until we get to sing Herman the Worm under the Flagpole again! Until then...

NEW on the Waterfront...
and due to sail into Manitou this summer are our **new Laser and Albacore Sailboats**, a Skylon Pylon for Wakeboarding, as well as some Canoes and Kayaks!

Dennis Wilson the Head Chef at Camp Manitou now in his 3rd season wants to hear **what your favorite food is?**

Please Email your favorite dishes to Chef Dennis at camp@manitou-online.com
