## ARTS WORKSHOPS NEW FACE OF MARTIAL ARTS

We're proud to announce that our friend **Gary Miller** will be joining us again this summer for several days of **Arts workshops**. For those campers joining us in first session, Gary will arrive on July 18th and will work with **Holly** and the **Visual Arts team** for 2 days of workshops on **drawing portraits**.

Manitou's **Martial Arts** program is getting a big face lift for 2002! We're proud to announce that our instructors for this season will be none other than **Rob** and **Dan** from Waterskiing! Rob and Dan both hold Black Belts in **Tae Kwon Do** and are excited that in addition to captaining the Waterski team, they will each have a chance to teach some Martial Arts this summer.

On **July 20th** (that's **Visitor's Day**) Gary will be up in the Arts studio to do **portraits of parents and**

## DONT FORGET!

Another reminder that one of the new activities this summer is **Guitar**! Have you thought about adding guitar to your schedule? You could be playing some cool camp tunes in no time! If you have your own guitar, we hope that you'll pack it. If you don't, no worries, we'll have several up at camp for you to use if you're trying it out for the first time.

If you're coming second session, remember to bring your costume for a night of trick-or-treating, haunted houses and dance partying!

One of the returning first session highlights is the Main Field Carnival, with games, prizes and the famous Director Dunk Tank!

# IT'S TRIPPING TIME! CONTEST WINNERS!

**Tripper Derek** and the rest of the crew are gearing up quickly for what's sure to be another amazing summer of canoe tripping. We'll be back out on our favorite routes including **Algonquin Park, French River** and **Kilarney**. And even have some six -day Senior trips in the works for the coming season. Make sure that you pack your sleeping bag when you come to camp and keep your ears open for when you're unit's

Congratulations to the winners of this year's **internet trivia** contests! We're awarding prizes this year to **Alex** and **Joanna Weiss** for guessing most closely the number of cities we had represented at camp last summer, **Adam Engel-Herz** for telling us what his favorite meal was, **Jordyn Taylor** for guessing what Manitou was before it was Camp Manitou and **Tal Shulman** who guessed how many benches it would take to fill the dining hall.

## WORLD GAMES SPY

**WORLD GAMES: JULY 11 - 13th 2002**

It's that time of year again, when an elite team of camp planners hides themselves away in a top-secret, heavily secured bunker and begins to discuss the countries that will be chosen for the 15th annual Manitou World Games.

The spies are already out, looking for clues as to which countries will be the 29th and 30th to be represented at Manitou. Do you have a hunch? Let us know by sending in this spy

report to the address below, or e-mail us at **WGS@manitoucamp.com**. If you're right, you could earn official WORLD GAMES SPY status.
