

# CAMP MANITOU PACKING GUIDE

## GENERAL INSTRUCTIONS

- All items must be packed in one or two duffel bags weighing no more than 40 lbs. It is impossible for us to carry your child's duffel if it weighs more than this. No trunks or suitcases are permitted.
- We suggest one bag should hold all bedding, shoes and miscellaneous equipment, the other should hold all folded clothing. You may also want to pack a small "backpack" with odds & ends that can be carried on the bus.
- Remember that any item "too good" to travel in a duffel bag shouldn't be at camp in the first place. Clothing can also be misplaced or lost in a laundry bag. Please pack accordingly.
- Laundry bags are not required as we supply one for each camper for use with our laundry service.
- Label each item so that it can be returned to you if lost and found. You can order a stamp from [www.tstrubberstamp.com](http://www.tstrubberstamp.com) or stick on labels (e.g. for water bottles, flashlights) at [www.mabelslabels.com](http://www.mabelslabels.com) or [www.oliverslabels.com](http://www.oliverslabels.com)

## SHOULD I SEND MONEY?

Campers do not need money at camp. If campers are travelling through the airport, you may wish to send some emergency money, but make sure your child understands that it should be given to the staff at the airport with travel documents to be kept in the office while they are at camp.

Only exception to this is for LIT's, please send your child with \$40 for the Wilderness Adventure Trip to pay for lunch on the first day (Subway Sandwiches) and for any pop/water they wish to purchase during the trip.

**If your child brings cash to camp we are not responsible for it being lost or stolen.**
